Stage Presence

Thank you for singing today Lindsey. You have a very pretty voice - true and clear from top to bottom.

You need to breathe lower and deeper in order to make pretty phrases. Its better not to breathe between so many words - the solo needs to flow more smoothly. Ask your teacher for help with this.

Diction - "my eye", not "my yeye" and "July" with an oo, not "Jah-ly". Also put the final d on words like "behind me".

You are well on your way to becoming an important and successful singer! It's perfect. Brava!!
