Well done!
You have a very mature
voice for 6th grade!
Breath deeper & use more
air.
Put more of a "you" into
your top notes & fill up
the sound. You have a good
vibrato when it stops
so this is very good. You have
notes. Had very little if
no vibrato. (Part of support)
Don't let the dotted
note fool you this is a
sad not happy song!
I am judging you based on how it
never mind you only 6 Grade
You have a great future ahead
of you!
